

WELCOME!

We use Midwest LTC Pharmacy, a member of Guardian Pharmacy Services, as our pharmacy provider. Through our partnership with Midwest LTC Pharmacy, we can deliver the best possible service and ensure you get the medications you need, when you need them, safely – and at the right price.

WHY USE GUARDIAN?

- **Cost Management** – Guardian coordinates directly with your physicians and third-party insurance providers to ensure minimal out-of-pocket medication costs
- **Billing Support** – Unlike a retail pharmacy, Guardian bills medications monthly, and their local billing staff is always ready to answer billing-related questions
- **Medicare Guidance** – The pharmacy helps you understand your Medicare Part D coverage and can offer one-on-one consultations during open enrollment
- **Clinical Support** – Guardian conducts ongoing medication reviews to ensure you're on the appropriate drug regimen
- **Compliance Packaging** – Easy-to-use packaging options, required by our community, organize your medications and minimize the risk of error
- **Timely Delivery** – Scheduled and emergency deliveries are available 24/7, eliminating trips to a local retail pharmacy
- **Integrated Technology** – Guardian's seamless integration of our community's electronic medication administration record (eMAR) system eliminates transcription errors and improves medication management

Guardian Pharmacy designs services to make sure you never have to worry about your medication needs. That's why the community has chosen Midwest LTC Pharmacy as our preferred pharmacy provider.
